Dear Sir,

## **NET ASSET BACKING**

The Directors advise that the unaudited net asset backing of the company's ordinary shares at 31 October 2002 was \$3.97 (30 September 2002 was \$3.89). The net asset backing calculation is based on investments at market value and is after provision for tax on net realised gains and before tax on unrealised gains.

Australian United Investment Company Limited is a long-term investor and does not intend to dispose of its total portfolio. If estimated tax on unrealised portfolio gains were to be deducted the above asset backing figure would be \$3.62 (30 September 2002 \$3.55).

Yours sincerely,

A J Hancock  
Company Secretary
